

Petition for the Formation of a Student Chapter of SIAM

Sponsoring organizations can include colleges, universities, industry and governmental units. If more than one organization sponsors the Chapter, one will be designated the "Sponsor" and the remaining organization(s) will be designated "Associate Sponsor(s)".

Petition to be signed by at least 12 Regular or Student Members of SIAM from any relevant department in any institution, including at least 2 faculty members at the sponsoring institution and 1 faculty member from any associate sponsoring institution(s). In addition to the 12 required signatures, petition may also be signed by prospective chapter members who are not current SIAM members.

We, the undersigned, petition the SIAM Board of Trustees to approve the formation of a Student Chapter of SIAM at _____.
