- Registration fees are set late in the planning process
- SIAM covers most of the overhead (staff costs, etc)

Back to School?

- Holding the Conference on **university campus:**
- “Nicer” lecture rooms & A/V setup
- Potentially more cost-efficient: might be possible to negotiate better rates for space rental, catering & accommodations
- SIAM would still be in charge of website/registration/conference support system
- The SIAG has started looking into this idea
- Preliminary proposal from University of Toronto

Conference Dates

- Discussion about **odd/even** years
- Discussion about **month** for the conference
- Could do a member survey?

Joint meeting with SIAM AN

- SIAM asks Activity Groups to periodically hold a **joint meeting** with SIAM Annual Meeting:
 - SIAG/FME 2006 Boston
 - SIAG/FME 2012 Minneapolis
- 2018 SIAM/AN (Portland) is within 1 week of Bachelier World Congress 2018 in Dublin, Ireland

- Can also organize a **track** during AN
 - 2017 (Pittsburgh) is already booked
 - No AN in 2019 (ICIAM8 in Valencia, July)
- Plans for SIAG/FME conference in 2020/2021?

SIAG/FME Future Plans

- Possible Other Activities?
- Other Business?
